WESTFORD CEMETERY COMMISSION SPECIAL MEETING WESTFORD TOWN LIBRARY February 28, 2016 9:00 A.M.

Meeting called to order at 9AM.

- 1) Brookside Cemetery Gravestone damage:
 - 4 quotes for repair/restoration of 2 gravestones damaged by Tree Service and determine plan of action
 - A: Champlain Monuments 200
 - B: Plouffe \$225 plus Lettering. Roughly \$500
 - C: Woodman \$300 for Labor /Material
 - B: Bianchi Stone \$1,600

Discussion and review of quotes.

Moved by Glenn Rogers that we go with Plouffe Monument and that they submit a proposal that represents something that Plouffe's would be proud of as a relative. It could include a Hickey stone for one, and the other could be a replacement. (a "second" grade type marker would be acceptable). The Cemetery commission would submit the proposal to Barrett's for approval. Seconded by R. Perry - approved.

- 2) Lawn mowing proposals.
 - a. RFP's going out in March for all.
 - b. Pleasant View will be in the mix.
 - c. No problems with last year's bid so no special wording needed.
 - d. Osgood hill, Plains, Pleasant View, Brookside, Cloverdale, Richardson in mix. (Cookyard no bids needed- Ron Perry does it).
- 3) Review of the Pleasant View Cemetery situation
- 4) Vermont has passed legislation allowing Green Burials, however the Westford Cemetery Commission recommends further review and future vote by the Commission on this option.

There are concerns:

a. Shallow grave (woodchucks).

- b. Rob a grave issues
- c. disease (No embalming, Cardboard coffin, cloth, wood, and no vault required)
- d. Gravesites located by GPS
- e. Save energy in manufacturing, no jobs.
- f. Jewish and Muslim faith have unique burial requirements

Westford currently requires vaults with 6' burial depth, and Westford Cemetery commission recommends continuing with this current policy.

- 5) Vt. laws have now eliminated requirements for
 - a. Fencing
 - b. Formal demarkations for gravesites
 - c. Allows establishment of Natural Burial Grounds.

Mtg. adjourned at 10 am.
