INTERIM TREASURER - TRANSITION

This was a special Selectboard meeting to review the Treasurer appointment process with Diane Forsey (Interim Treasurer). Alex thanked Diane for her service as Interim Treasurer and expressed appreciation for her service to the Town. He said that the Nominating Committee did not forward her name to the Selectboard for consideration for the Treasurer position. He said the Board wanted to let Diane know before action was taken on the appointment. Dave said that the Nominating Committee received a number of applications for the position (including Diane's), and that the candidate forwarded by the committee had significant financial oversight experience. He said that the Selectboard planned to make the appointment on March 10, and that Diane's position as Interim Treasurer was now over. He thanked Diane for her service, and asked for her key to the Town Office. Diane provided her Town Office key.

ADJOURN

The meeting adjourned at 9:35 a.m.
