

Westford Conservation Commission (WCC) – 10/21/2015 Meeting Minutes

Attending: Joel Fay, Chuck McGill, Dale Rodgers, Sarah Pinto, Marilyn Thomas

Meeting called to order at 7:07 pm

There was discussion about what might become of the school trails if the Westford school district merges with Essex. Marilyn will let the Selectboard know that the Conservation Commission would like to make sure the trails remain available to all townsfolk, and that actions to transfer the land containing the trails from the school district to the town should begin as soon as possible.

Dale went on the hike on the Jackson property that is proposed to possibly become a town forest. At least 50 people were on the hike.

A boardwalk for the Schultz trail is still being considered to help with passage through a wet area.

Meeting adjourned at 8:10 pm
