## Town Office Notes

### Town Meeting - Important Dates

- **January 30<sup>th</sup> (Monday)** – 5pm deadline for filing with the Town Clerk nominating petitions and consent forms for local offices to be filled by Australian ballot. Please make sure your name is as it appears on the voter checklist and to fill in the office you are running for (including length of term) before circulating your petition.
- **March 6<sup>th</sup> (Monday)** – 5pm deadline to request an absentee ballot.
- **March 6<sup>th</sup> (Monday)** – 7pm, Town Meeting and public hearing for Australian ballot questions (including town budget), at the Westford School in the gym.
- **March 7<sup>th</sup> (Tuesday)** – Voting day for Australian ballot articles. Polls will be open from 7am to 7pm in the Westford School gym.

If you have any questions concerning Town Meeting, please call or email the Town Office.

### Petition Deadline for Elected Offices

Petitions for elected offices (e.g. Selectboard, etc.) can be picked up at the Town Office and must be submitted no later than 5:00 p.m. on Monday, January 30<sup>th</sup>. Petitions must be signed by a minimum of 17 registered voters. Please contact the Town Office for a complete list of offices with terms expiring in March 2017.

### Voter Registration

The State of Vermont implemented same day voter registration effective January 1, 2017. This means that eligible persons may register to vote on any day up to and including the day of the election. Registration is available at the Town Office during normal business hours on days leading up to the election and during polling hours on Election Day. If you are not already on the Westford Voter Checklist and you want to vote at Town Meeting March 6<sup>th</sup>, please consider registering before Election Day. This will save you time when you come to vote at the polls. If you are unable to come to the Town Office, you can register to vote online at: <https://olvr.sec.state.vt.us/>

### Dog Licenses

Dog Licenses are due by April 1<sup>st</sup>. A current rabies certificate is required. If you are unsure if the current certificate is on file, please call the Town Office. **If you no longer have your dog or your dog has died, please let us know.** For your convenience, you may mail or drop off the fee and rabies certificate along with a self-addressed stamped envelope and your license will be mailed to you. The fee until April 1<sup>st</sup> is \$13.00, or \$11.00 if your dog is spayed or neutered. Dog licenses obtained **after April 1<sup>st</sup> are subject to a late fee.** We encourage all dog owners to register their dogs before April 1<sup>st</sup>.

### Senior Luncheon

The Senior Luncheon will be on February 13<sup>th</sup> at noon at the Brick Meeting House on the common. All seniors (55+) are welcome. Please join us for a home cooked meal and good conversation. If you need a ride, please call me at 878-3090 or Beth Menut at 893-2263. Hope to see you there! Carol Howrigan, President

### Newsletter Deadline

The deadline for the March Newsletter is 12:00 noon on Monday, February 27<sup>th</sup>.

### Town Office Closed

The Town Office will be closed Tuesday, March 7<sup>th</sup> for voting.

## PLANNING COMMISSION

As 2017 begins, the planning commissions of the towns of Vermont have been handed a challenge from our state legislators to get involved with energy planning or lose out on having a say of the siting of large commercial renewable energy facilities.

In 2011 the State of Vermont set a goal of reducing fossil fuel consumption 30% and generating 90% of our energy with renewables by 2050. To meet this goal Act 174 was passed to help site large commercial renewable energy generating facilities. This means that energy planning will determine some land use planning. The land use planning for renewable energy sites will be done at the regional and state level. If towns and municipalities want to have input on the siting of energy generation facilities (think solar, wind, or biomass) and are worthy of "substantial deference" (Act 174 verbiage for "input") we must develop an "enhanced energy plan". An Enhanced Energy Plan includes the following:

- 1) Survey energy use in Westford
- 2) Consider energy used for buildings and transportation
- 3) Analyze current and future energy use
- 4) Plan carefully with state energy policy for the land use needs of energy generation

The Planning Commission is starting to organize to meet this challenge so that we can direct the future of our energy needs, how we generate energy for Westford and the region, and how our land is used. We will need your support!

- We will be sending out a survey that will inform us on energy use in Westford. Be on the lookout for it and help us by completing and returning.
- The Selectboard is reinstating the Energy Committee to help guide and steward this process. If you have skills or knowledge around the area of renewable energy, please contact Melissa Manka at the Town Office. 878-4587 or [planner@westfordvt.us](mailto:planner@westfordvt.us).

The Planning Commission meets the 3<sup>rd</sup> Monday of the month at 6:30. All are welcome!

### SEEKING RESIDENTS TO SERVE ON ENERGY COMMITTEE

The Westford Selectboard is seeking town residents interested in serving on an Energy Committee. The Energy Committee will be working with the Planning Commission. For more information, please refer to the Planning Commission's note above.

### ROAD CREW UPDATE

Mark Brito, one of the Westford Road Crew members, was critically injured during an incident on January 2<sup>nd</sup> on Georgia Mountain Road. Mark was hired in July 2016. In this short amount of time, he became well-liked and respected by fellow employees (town office and highway).

Several people have contacted the Town Office to find out how they can help Mark. A Go Fund Me Account has been set up for Mark by friends and family and can be found at <https://www.gofundme.com/mark-brito-recovery-fund>.

Due to Mark's injuries, the Road Crew is down an employee. The Town is looking at options in hiring someone on a temporary basis, as well as the possibility of seeking aid from neighboring towns.

### SEEKING DOG WARDEN

The Town of Westford is seeking someone to serve as Dog Warden. The Dog Warden is an appointed position and is responsible for enforcing the Westford Dog Ordinance. The Dog Ordinance can be found on the Town's website (<https://westfordvt.us/wp-content/uploads/2014/09/Dog-Ordinance1.pdf>).

Please contact the Town Office at 878-4587 or [townclerk@westfordvt.us](mailto:townclerk@westfordvt.us) if you are interested in serving in this capacity. Compensation is an annual stipend. The position will remain open until filled.

## TOWN OF WESTFORD - WINTER ROAD POLICY

The Westford Highway Department has the responsibility of maintaining 39.4 miles of town roads, of which 36.9 miles are gravel and 2.5 miles are paved. This policy is based on the goal of obtaining safe highway travel surfaces during winter months. It is our goal to achieve this at the earliest practical time and in the most cost efficient manner during and after a storm event. Providing bare, dry travel surfaces during a winter storm event is not practical and therefore not expected.

Each winter storm event is unique. It is impractical to develop specific rules on winter maintenance operations. Therefore, the judgment of the Road Foreman often governs the quantities and type of applications used to control snow and ice.

### **Snow Plowing**

The Town of Westford begins plowing when snow has accumulated 2 to 3 inches. Plowing may begin as early as 4:00 a.m. and stops when the storm has ended or 10:00 p.m., whichever comes sooner.

### **Sand**

Sand will be applied to all gravel roads. With the use of sand in winter maintenance material, some particles may be as large as ¾" in size and may cause windshield damage. Travelers should use caution and avoid following other vehicles or town trucks too closely. The Town will not pay for any vehicle repairs, such as the replacement of windshields. When ice is present under the sand, instant stops are impossible.

### **Plow Routes**

Each plow route takes approximately 4 hours to complete, sometimes longer depending on the storm. This means if plowing started when there was 2 inches of snow on the road, by the time the truck finishes the route there is the potential for up to 6 inches or more of snow on the road again. Therefore, during a heavy snowstorm, at times there will be snow on the roads. There shall be no riders in the town trucks other than the operator of the truck and authorized town officials. All town trucks shall be pulled to the side of the road when the operator is using a cell phone.

### **Freezing Rain**

It is important to note that salt or sand is less effective if applied before the rain stops. There is little the Westford Highway Department can do during a freezing rainstorm. Salt and sand will be applied to the roads sparingly during the event and more aggressively as needed once the storm is over.

### **Bare Roads**

The Town of Westford does not have a bare road policy. Travelers who use Town roads should exercise due care and reasonable caution while driving during the winter months.

### **Mailboxes**

The Town will not repair or replace mailboxes damaged by snow or ice clearing operations. Heavy snow coming off the plow blade will often knock over and damage mailboxes/posts that have not been adequately mounted and maintained or braced, or those mailboxes with doors left open. Also mailboxes/posts may be damaged by private contractors or homeowners during driveway clearing operations.

### **Trash Placement**

Trash and trash receptacles should be placed in a manner that will not interfere with winter road maintenance. The Town will not be responsible for damage to trash receptacles or trash clean up as a result of its obstruction of snow removal.

### **Parked Vehicles**

No vehicle shall be parked on the Town's right-of-way from the start of precipitation until 48 hours after the storm ends. The Town reserves the right to tow parked vehicles at the owner's expense. The Town is not liable for damages incurred to vehicles parked in the Town's right-of-way.

### **Plowing Across Town Roads**

The practice of plowing snow from driveways across Town roads is prohibited. Residual snow creates a dangerous obstruction (piles, ridges, etc.). Snow shoveling into the roadway will cause similar problems. Once frozen, the piles/ridges can cause vehicles to lose control and can also cause damage to vehicles and town trucks and equipment. Generally, the Town will warn the responsible resident for a first occurrence. Subsequent violations may result in further action, which may include but is not limited to fines.

### **The Language of Flowers**

**by: Vanessa Diffenbaugh**

This book beautifully weaves past and present, creating a portrait of an unforgettable woman whose gift for flowers helps her change the lives of others even as she struggles to overcome her own troubled past.

The Victorian language of flowers was used to convey romantic expressions: honeysuckle for devotion, asters for patience, and red roses for love. But for Victoria Jones, it's been more useful in communicating grief, mistrust, and solitude. After a childhood spent in the foster-care system, she is unable to get close to anybody, and her only connection to the world is through flowers and their meanings. Now 18 and emancipated from the system, Victoria has nowhere to go and sleeps in a public park, where she plants a small garden of her own. Soon a local florist discovers her talents, and Victoria realizes she has a gift for helping others through the flowers she chooses for them. But a vendor at the flower market has her questioning what's been missing in her life, and when she's forced to confront a painful secret from her past, she must decide whether it's worth risking everything for a second chance at happiness. ## Community Film Screening: Paper Clips

Friday, Feb. 17 from 7-9pm

A small town sets out to teach diversity, tolerance, and standing up for what is right to its children; what happens next is simply transformative. This important film feels timely and could lead to important family and community discussion. "When the principal of Whitwell Middle School sought a program that would teach diversity to a predominantly white, Protestant student body, the notion of focusing on the Holocaust--specifically Hitler's extermination of six million Jews--seemed like an obvious way to go. But understanding what "six million" looks like became a challenge. Thus was born the idea of collecting that number of paper clips at Whitwell as a visual reference. The dimensions of the project, the lessons about prejudice and intolerance, are stunning to watch grow beyond anyone's wildest expectations. This is a great film for families and classrooms to watch together." (from Amazon.com)

**This event is open to older children with their parents and other community members. Not a drop off event.**

## WESTFORD MUSIC SERIES

*presents*

# PossumHaw

**Event:** Music Concert

**Date:** Sunday, February 12<sup>th</sup> 4-5 pm

**Location:** UCW white church, Westford

PossumHaw, a 5 member band, has been called “the shooting star of Bluegrass music” by the Vermont press. Members originate from Burlington and have evolved into an award-winning evocative songwriting and singing group with top notch bluegrass instrumentation. They will be making an appearance in Westford on Sunday, February 12<sup>th</sup> from 4-5pm as their parting concert as a band. A couple members of this fabulous group are moving out West and they are sad but delighted to be completing their band partnership at the Westford Music Series.

The PossumHaw quintet is rooted in the bluegrass and folk tradition which features the stellar vocals and songwriting of Colby Crehan (lead singer for the Bluegrass Gospel Project and named as a Vermont Vocalist of the Year). Other members include Stephen Waud (mandolin, vocals), Ryan Crehan (banjo, vocals, and harmonica), Charley Eiseman (lead guitar, vocals) and Mitch Barron (upright bass). PossumHaw is what the Northeast folks and bluegrass music scene is all about - excellent original acoustic live music delivered with skill, sincerity, and personality.

Free will donation and refreshments.
