GOODRICH TRAIL

Doug Edwards, Sarah Pinto, Dale Rodgers, John Roberts and Allison Hope walked a portion of the Goodrich Trail (Repa Road) on September 19, 2018. The portion walked was marked.

Allison advised that Sarah and Dale have done a lot of work to the trail but still have a lot of work that needs to be done. They welcomed the idea of Mr. Edwards performing some work on the trail. Part of the discussion included culverts. John had no issues with what was discussed. The group also discussed installing a gate to keep unauthorized vehicles out.

Mr. Edwards' ultimate goal is to clear the trail enough to operate equipment for logging and sugaring. He has availability in the next week or two to do the work. The group discussed the following:

1. The clearing of the trail shall not exceed 20 feet and remain within the area that has been flagged.
2. The length of the trail to be cleared shall not exceed the portion walked on September 19th.
3. Mr. Edwards would sign a liability waiver and submit it to the Town Office before he commences work.
4. The stonewalls are to remain intact.
5. The Road Foreman will be notified prior to work commencing.

Mr. Edwards agreed to what was discussed.

Julia Andrews made a motion to grant permission to Douglas Edwards to clear a portion of the trail with the parameters identified during the walk on the trail September 19, 2018, seconded by Grant Thomas. Motion passed: 3-0.
