**Westford Cemetery Commission**  
**1713 Vermont Route 128**  
**Westford, VT 05494**

### Introduction

The Westford Cemetery Commission is accepting bids for mowing services for the 2019 season for the following cemeteries:

- **Brookside Cemetery** (Maple Tree Lane)
- **Richardson Cemetery** (Covey Road)

- **Osgood Hill Cemetery** (Stoney Ridge)
- **Plains Cemetery** (Plains Road)
- **Pleasant View Cemetery** (Route 128 North – including the small open area in front of cemetery along the entrance)

### Scope of Work

The cemeteries require mowing on an as needed basis, usually about every 2 weeks and trimming every other time throughout the growing season.

The job also includes spring cleanup (i.e. branches and brush) and final clean up in early October. Spring cleanup and the first mowing need to be completed by Memorial Day

The mowing schedule needs to take into consideration the following holidays: Mother's Day (May 12), Memorial Day (May 27), Father's Day (June 16), Independence Day (July 4), Labor Day (Sept. 2), and Columbus Day (Oct. 14).

### Special Instructions/Notes

- 1) All gravestones, upright fieldstones and markers need to be treated with care to maintain their integrity and while they need to be trimmed/mowed around they are susceptible to damage from trimmers and mowers. Gravestones and markers cannot be dislodged or removed.
- 2) Spring & Fall Cleanup- leaves, brush and fallen branches need to be removed from the cemetery (**NOT** piled in a corner of the cemetery, disposed onto adjacent property ***NOR*** mowed over)
- 3) Gravestones must be kept clean and tidy; grass clippings should be blown or swept from stones and memorials immediately following mowing activities. All practical efforts should be made to blow grass away from the gravestones.
- 4) Plains Cemetery is comprised of sandy soil and as the season progresses, requires less frequency of actual mowing.
