

Allison reminded everyone that other property owners have permits to operate vehicles on the trail to access their property therefore the use may be a legal activity. However, if someone is driving on the trail just for fun, that would not be a legal use.

Bill Cleary made a motion to approve the issuance of a permit to use of a motor vehicle on the Goodrich Trail, seconded by Allison Hope. Motion passed: 3-0.

FOLLOW UP ON MAPLE SHADE FOREST SIGNAGE REGARDING DOGS

Allison provided an update on a conversation she had with Kristin on Monday about what had occurred. The Conservation Commission are putting up temporary signage near the gap in the wall near the Baczewski property and are awaiting the permanent signs that are being made. Allison has been walking the trails nearby frequently and has seen no indication that dogs have gone on the Baczewski's property so that's a big positive. Allison will put a note on Front Porch Forum to remind folks about the Dog Ordinance.

CCRPC ROAD SPEED STUDY

Julia had been in contact with Charles Baker at the Chittenden County Regional Planning Commission (CCRPC) regarding the update to the Speed Study, which has been received. Julia wants to put this on the agenda for next meeting to give Board members time to read the study thoroughly. Nanette suggested sending the study to the In-Motion Task Force Committee.

COMMUNICATION

Allison will post on Front Porch Forum regarding the Dog Ordinance.

Bill recalled an email going around about Heli Pads and Air Strips regarding Zoning. He felt it was more a planning issue.

Rover's North requested a larger dumpster. Nanette looked at the contract and they have a 6 yard dumpster for trash and an 8 yard for recycling. Nanette will contact Myers to find out what larger sizes are available. Greg thinks they make a 15.

ACCOUNTS PAYABLE & PAYROLL WARRANTS

Greg Barrows, Town Treasurer, went over the Accounts Payable and Payroll Warrants.
