Westford Common Use Policy

The Westford Common is a beautiful, historical area owned by the Town of Westford (the "Town") much used by townspeople and visitors. As such, it is important to protect and nurture this area so everyone can enjoy it.

The following are the rules of agreement for your use of the Common:

1. There is no exclusive use of the Common. People scheduling an event must realize that they cannot ask others to leave the area. This is a public piece of property that is used by the general public. The Gazebo may be reserved, however.
2. No vehicles are allowed on the Common at any time including loading/unloading, except for emergencies. There is no parking on the Route 128 side of the Common. Parking is only allowed along Common Road, but never on the grass.
3. If the applicant plans to offer live or recorded entertainment, food or alcohol, the applicant is responsible for obtaining any and all required permits and to show proof of insurance. The applicant acknowledges and agrees that a permit to use the Common does not relieve them of their responsibility for obtaining all required approvals needed for the event.
4. All events must be over by dark, except for Town sponsored activities. Noise must be kept to a minimum. Please respect the neighboring residents.
5. If there is any damage to any part of the Common or Gazebo, the user group is responsible for repairing the issue. Picnic tables, chairs, and other items, if moved, must be returned to where they were originally. All trash must be picked up and placed in trash barrels. Exercise care around any trees or plantings. Absolutely no climbing of the trees. No tents or structures which may damage the grass. Canopies are allowed.
6. Fires, heaters, or grills are strictly prohibited in or near the Gazebo.
7. Adult supervision is required for all activities where children may be present.
8. The applicants are responsible for cleaning up after any animals brought on site.
9. Only signs promoting the name, date and time of Town center events are allowed on the Common. A maximum of two signs per event are allowed and can be placed a maximum of seven (7) days before the event and must be removed within five (5) days of the event.
10. By submitting this application, the applicant agrees that they shall use and occupy the site at their own risk, and agrees to indemnify, defend, hold harmless, release and not to sue the Town or any of its elected and appointed officials, administrators, employees, contractors, accessors and/or assigns, based on any injury or death to persons entering the Town Common property pursuant to the Town's approval of an application for use of the Common, or loss or damage to vehicles, equipment, structures or real or personal property of any nature whatsoever of the Town or the applicant, or of anyone claiming by or through any of them, except if such injury, death, loss or damages is caused by the willful act or gross negligence of the Town, or its employees, agents, contractors or invitees. The applicant shall give notice to the Town of any event, action, loss, or activity that may trigger the foregoing indemnity obligation within seven (7) days of their receipt of notice of such claim.
