Any individual who believes that they need a reasonable accommodation may submit a request to the Town Planner. The Town will assess whether the request for reasonable accommodation is necessary to make the Town service, program, or activity available to an individual with a disability; whether there is an alternative accommodation which may provide an equivalent level of access and/or benefit; whether the requested reasonable accommodation would impose an undue financial or administrative burden; or whether the requested reasonable accommodation would require a fundamental alteration in the nature of the Town service, program or activity.
