

TOWN OF WESTFORD HIGHWAY DEPT.
ROAD SCHEDULE
January 11, 2024 – January 25, 2024

Work to be done.

- Patch potholes when and if needed.
- Maintaining plow equipment in between weather events.
- Plowing and sanding.
- Brush cutting.
- Haul in road gravel

Work completed.

- Plowed and sanded roads several times.
- Had the S cam tube on the left rear axle of the 2017 western star replaced.
- We replaced the broken spring on upper rear wing cylinder on the 2020 international wing plow.
- Cut and chipped more of the tree debris along the edge of the roadsides from the January 10th wind event.
- Checked and adjusted brakes on both western stars and the international.
- Changed both bearings and idler wheel on the rear bed chain on 2020 international.

Approved at the January 25th Selectboard Meeting.
