COMMON USE POLICY

The Westford Common Committee wants to remind residents that any major use of the Common or gazebo requires an application. This does not apply to small gatherings like friends meeting for coffee or a couple of folks having a picnic. This policy has been implemented to avoid conflicts since the Common and gazebo are being utilized more. We ask all town organizations to also follow this procedure so the calendar will reflect all activities.

Here is a link to the application:

If you have any questions, please call the Town Office for assistance: 802-878-4587.

WESTFORD TRAILS GOING THROUGH PRIVATE LAND CLOSED UNTIL DECEMBER 15

To the residents and guests of Westford's Trail Systems, the Selectboard voted on October 9th, 2025, that public trails that cross through private property be closed to public use from October 9th, 2025, through December 15th, 2025. Exceptions to the trail closure notice are for those residents that utilize trails as a form of egress, have legal right of way documentation, or have permission from the landowner to cross via the trails. These exceptions remain in effect indefinitely regardless of any closures or openings. If there are any questions as to the closures or any of the exceptions, please contact the Town Office. Trails that are on Misty Meadows and Maple Shade networks will remain open.

FALL ROADS

What you need to know about fall road conditions

- **Tourists:** watch for tourists "leaf peeping". They may be driving slowly or be in need of directions.
- **High Winds:** can damage trees which then may block roads. Come across a tree blocking the road? Give the town office a call!

Reminders:

- Several hunting seasons occur during fall. Watch for vehicles parked on the side of roads. Pedestrians and pets should wear orange/yellow reflective clothing.

UPCOMING CONSTRUCTION

• BROWNS RIVER COVERED BRIDGE REPAIRS

Westford's beautiful, covered bridge, originally built in 1838, repaired in 1976, and fully restored in 2001, will be getting some needed maintenance to keep it enjoyable for years to come, thanks in part to a grant from Vermont Historic Preservation. Water damage due to faulty flashing has caused the wood to rot at the four corners where the bridge sits on its concrete abutments.

The Selectboard has chosen Miles Jenness from Vermont Heavy Timber

(<https://www.vermonthheavytimber.com/>) to do the repairs which will begin this summer and wrap up in the fall. The bridge will be lifted from the abutments, new wood timbers will be installed, and superior flashing will be applied to keep rot from forming again in the future. During this work, there will be times when traffic may be limited to one lane on Cambridge Road. Any disruption will be minimized as much as possible. Thank you for being patient while we fix up this wonderful, historic landmark in the heart of Westford!

Westford Historical Society

NEWS FROM THE WESTFORD HISTORICAL SOCIETY

We at the WHS are humbled and honored that so many people – 66 as a matter of fact—came to hear John Porter's talk on the History of Agriculture through Barns last Saturday. Who knew there would be so much interest?? And, as he stated, his lecture generally focuses only on barns in his native New Hampshire but he chose to show pictures and ask for information about some of our Westford barns which really brought it home for many. Also, the photos that Barb Peck took of Westford barns, had mounted and displayed were wonderful. She was able to capture the beauty in these iconic structures. Thank you, Barb, for your generosity.

Thanks also to all who came and asked questions and enjoyed the refreshments as well as the talk We really appreciate the support.

It has been a busy summer and fall for our small but dedicated group with this presentation and the Walk the Common tour. For now we plan to work on organizing the bounty in our building. If there is a Winter Carnival event we will plan to be open and will very much be a part of the festivities. In the meantime, we are brainstorming ways to celebrate our State's 250th Birthday and are lining up activities. Once these events are firmed up we will start advertising so stay tuned.

On another matter, we have chosen to change our meeting time for the winter months. Instead of our usual 6:30 meeting time we will now meet at 2:00 in our building on the Common on the 3rd Monday of the month with our next meeting being November 17th. We welcome anyone interested in our town's history to join us. For questions or to schedule a time for a private viewing or to make donations feel free to contact Caroline Brown at 802-878-8890.

TRASH, RECYCLING & FOOD SCRAPS IN WESTFORD

Can I Recycle That?

Did you know that you are not supposed to put your recycling in plastic bags of any kind? The only exception to this is shredded office paper, which is accepted only if it's in a CLEAR BAG that's tightly closed.

Here are some other items that do NOT belong in your recycling bin:

- Dirty containers
- Plastic wrap
- Durable plastic (e.g., Tupperware, laundry bins, etc.)
- Styrofoam
- Motor oil or hazardous waste containers

For more information on the proper way to recycle, please visit <https://cswd.net/recycling/>. There is even an interesting video of a tour of the Materials Recovery Facility (MRF) where your recycling goes to be sorted.

Food Scraps *(Effective July 1, 2020, per Act 148, food scraps are banned from landfills.)*

What are food scraps?

Food scraps are parts of food that are typically discarded rather than eaten: peels, rinds, cores, eggshells, seeds, pits, bones, shells, coffee grounds and filters, loose-leaf tea, and fats/oils/grease. Food scraps is also food that was eaten but not finished: "plate scraps" or leftovers that went bad. Any type of food can become food scraps including bread, pasta, soup, vegetables, fruit, sauces, meat, fish, dairy, sweets, etc.

What should I do with meat and bones?

If you compost in your yard, the law allows you to put meat and bones in the trash, so they don't attract animals to your composting bin. If you chose to bring food scraps to a drop-off center, you can include meat and bones with the rest of your food scraps.

CSWD has an abundance of information on their website including answers to questions, ways to reduce waste and how to compost to name a few. Please go to <https://cswd.net/scrapfoodwaste/> or call **872-8111** to get more information.

SEASONAL COMPOSTING TIPS: Fall

- Leaves and grass clippings are valuable compost materials because they are carbon rich. Add them in small batches to avoid matting (too many leaves clump together and slow down the compost process)
- Cover your pile or use an enclosed composter to keep things moist but not sodden. This will also deter pests like bears, raccoons, and mice.
- Other items that can go in your compost this time of year include wood ash and the skeletons of annual flowers & plants. Break down large-bodied plants like tomatoes and broccoli before adding them to your pile.
- Store compost material like leaves & grass in a burlap sack near your pile for adding with food scraps.

The Unsettled

By: Ayana Mathis

"The Unsettled" by Ayana Mathis is a novel about three generations of a family—grandmother Dutchess, her estranged daughter Ava, and grandson Toussaint—whose lives are shaped by the struggle to preserve their Black homeland in Bonaparte, Alabama, against outside pressures. The story contrasts Dutchess's fight to protect the ancestral land with Ava's search for a new life in 1980s Philadelphia, where she becomes entangled with radical groups. It explores themes of family, identity, and the high cost of resistance and survival.

Message from the new Library Director,

Maggie Kabbeko

Hello, Westford community! I'm delighted to join the Westford Public Library as your new Library Director. My career has centered on creating spaces where people of all ages feel welcome to learn, connect, and imagine. With a background in education and public librarianship, I've had the joy of designing literacy programs, supporting lifelong learners, and building partnerships that strengthen community life. I'm thrilled to bring that same spirit to Westford—a place already known for its vibrant civic heart and love of books.

In the months ahead, I look forward to meeting you at storytimes, book discussions, and town events, and to hearing your ideas for how the library can best serve you. Whether you come for a quiet corner to read, technology help, or simply a friendly conversation, I want the library to feel like your space. Together, we can honor its long history while imagining new ways it can grow with our town.
