Disclaimer: If a quorum of the Board is attending in-person, the meeting will continue notwithstanding a disruption or disconnection in electronic participation. Therefore, in person attendance is recommended. The Vermont Department of Health recommends that each person decide if they want to take precautions, such as wearing a mask, based on their own personal level of risk. Please stay home if you are unwell. Any individual who believes that they need reasonable accommodation may submit a request to the Town Administrator. The Town will assess whether the request for reasonable accommodation is necessary to make the Town service, program, or activity available to an individual with a disability; whether there is an alternative accommodation which may provide an equivalent level of access and/or benefit; whether the requested reasonable accommodation would impose an undue financial or administrative burden; or whether the requested reasonable accommodation would require a fundamental alteration in the nature of the Town service, program or activity.
