The Vermont Department of Health advises individuals to assess their own risk and decide whether to take precautions, such as wearing a mask. Please stay home if you are feeling unwell.

Individuals requiring reasonable accommodation may request assistance from the Planning & Zoning Department. The Town will evaluate each request to determine if the accommodation is necessary for access to a Town service, program, or activity; if an alternative accommodation could provide equivalent access; if the requested accommodation would cause an undue financial or administrative burden; or if the accommodation would fundamentally alter the nature of the Town's service, program, or activity.
